

2021 Kodiak 100 Series III

2021 Kodiak 100 Series III

Airframe	<p>The Series III has the same aluminum construction you have come to expect from the Kodiak – tough and safe for extreme missions, capable of working from unimproved conditions and can work off floats without structural upgrades.</p> <p>The Series III includes Kodiak Care coverage until 1,000 hours or 4 years, whichever comes first; plus 400 Hours of Pratt & Whitney ESP Coverage, 1 year of CAMP maintenance tracking, and 1 year of Garmin NavData subscriptions.</p>
Engine	<p>Equipped with the powerful Pratt & Whitney PT6A-34 engine 750 SHP, 4,000 Hour TBO</p>
Prop	<p>The Pitch Latch Propeller is now standard on the Series III 4 Blade Hartzell propeller, constant speed full feathering</p>
Exterior	<p>Now standard: 29 Inch Tire Combo Upgrade The discontinuous leading edge wing design you know from Kodiak remains unchanged. The Executive package includes the Summit interior package, external cargo pod, TKS. Multiple color schemes are available – contact us for options and timing!</p>
Interior	<p>Now standard: Air Conditioning with vents, 10 Place oxygen system, USB ports. Choose from the Timberline or Summit interior packages, in warm or cool leather. Summit now offers the option to include or remove the table and cabinetry. Timberline offers removable carpeting with nonstick floors and easily removable seats.</p>
Avionics	<p>Garmin G1000NXi Avionics Suite: 2 PFDs and 1 MFD; now with Dual Processors Flight Stream 510 – now you can configure your flight plan via the Kodiak app and transfer to the 510 via Bluetooth. A 2-year subscription to the app is included.</p> <p>Garmin GFC-700 Autopilot Garmin GDL-69A Weather Garmin GTS 800 Traffic Avoidance System Option Stormscope WX-500 Dual Garmin GPS Synthetic Vision TAWS Class B Dual G1000 Coms GTX 345R Mode-S Transponder with ADS-B In and Out Dual G1000 Navs Dual AHRS Angle of attack Indexer L3 ESI-500 Standby Instrument ELT 406 MHZ with GPS Garmin Flight Stream 510 wireless connectivity between mobile device & G1000 Nxi</p> <p>Optional: Surfacewatch GDL 69A XM Data Link with Audio Infotainment Chartview Enable Card – displays on the MFD; Series III does not include Jeppesen Subscription</p>
Additional Features	<p>Now standard: Pitch Latch Propeller and Lower Fuselage Skin Gap Fillet Sealant, making the Series III float ready from day 1 Optional: GWX-75 Weather Radar STC for Single Point Refueling</p>
